

AUTHORIZATION FOR AUTOMATIC PAYMENTS BY CREDIT OR DEBIT CARD

I wish to place my signature on file for convenient monthly **CREDIT CARD** payment of my LavaNet account charges. I authorize LavaNet to bill me on a monthly basis, at the current rate for the type of account I have chosen, until my account is terminated. I understand that monthly charges will appear on my credit card statement and that no monthly invoice from LavaNet will be sent to me unless specifically requested by me on this form. When my card expires, I will give LavaNet the new expiration date; no new signature shall be required. I understand that accounts will continue to be charged beyond the indicated expiration date of my card, and it will be assumed that a new card will have been issued to me, unless I notify LavaNet in writing to cease charging the account. I also understand that I will be liable for any charges properly assessed by LavaNet if for any reasons charges are not paid by my credit card company.
